

Veterans Incarcerated and in the Justice System Committee

AVVA QUARTERLY
REPORT JANUARY -
MARCH 2020

VVA VIJS Chairman Vezzo set a new direction for Vets in the Justice System. Since the VVA vote in Spokane, VIJS is now 3 (three) tiered:

1. Veterans Incarcerated
2. Veterans in the Justice System
3. Getting ahead while getting out

The VVA focus is to get more Regional, State and chapters involved with treatment courts and incarcerated chapters. AVVA's Veterans Incarcerated and in the Justice System Committee supports this position and is working toward like goals.

Both VIJS committees are committed to recruiting mentors for Veterans' courts. One possibility is to go to other VSO's to enlist support in recruiting from their respective memberships.

Respectfully submitted,

Don Jones
