National Election Committee Report

Submitted by Nancy Montgomery, Election Committee Chair

March 29, 2020

The Policies and Procedures for Elections found in Section V have been changed significantly. They should be reviewed and studied prior to any election to avoid any problems and/or confusion in confirming any elected office. The election results must be reported to the proper authorities. The Regional Directors should forward their states' results to the National Election Chair in the time frame as stated .

Since my appointment as Election Chair very few issues have arisen and been quickly handled and/ resolved. The committee has plans to revise the AVVA National Delegate registration form to make it clearer on what is required for next years' election.

Most importantly, the National officers approved procedures to extend state and chapter elections to September 30, 2020 due to the cancellation of meetings caused by the current crisis of the Covid-19 virus across the country.

Thank you to committee members Wynella Bethards, Jennifer Ellis, Linda Haberkorn and Ann Rice for their input and assistance.
