

VISTA REPORT

April 2020

We had 135 participants that summited VISTA hours for the period of March 2019 until February 2020. We only had members from 13 states submitted hours. Susan and I have worked tirelessly recording hours received from chapters in these 13 states that summited their report.

I know for a fact that we have many more AVVA members who have work numerous hours and should have submitted hours from the states that did not report their service hours where we have AVVA membership. These forms can be filled out and submitted once a month or whatever is suitable for the member. Go to AVVA.org and click under "forms" to obtain your form. Please don't let these VISTA hours go unreported!
