

FINANCE COMMITTEE REPORT APRIL -2024

As we embark on a new year, the annual budget has been completed and ready for approval.

Our overall finances look good. Revenue has been what we projected with our Life Memberships being over while individual memberships were down a bit.

Contributions we receive from various funds have increased, we are grateful for all those who have donated.

We moved our reserved funds to an account that is doing quite well on our investment instead of just sitting in the bank.

Thanks to all for your cooperation where budget planning is concerned. Looking forward to a successful and prosperous new year.

Regards,

Susan Price
