

Associates of Vietnam Veterans of America  
Awards Committee Report  
Beverly Pounds, Chair

I want to thank the awards committee members Sue Crego , Arizona, Wynella Bethards, Kentucky, Linda Finch, Tennessee, and Cheryl Wroblewski, West Virginia for the great job they did going through all the nominations we received. Each committee member is very busy and have their own agendas so volunteering their time to read each nomination was greatly appreciated.

I also, want to thank the States and Chapters that participated. We have many members that give of their time every week to help our veterans and their families even though we only give one award in each category we have many winners in our organization.

Since we are an all-volunteer organization our committee wants each member to know how very much you are appreciated and hope you will continue to serve our veterans and their families.

It has been an honor to serve as chair person for the National Awards committee and looking forward to giving out this year's Awards in Spoken.
