SURVIVOR'S BENEFITS REPORT

July 10, 2020

At this time no recent seminars have been held.

We believe once this pandemic passes, that we can resume with holding our SB seminars.

An AVVA member Bernie Rekowski, is a graphic designer who is volunteering to design our brochure which is included in the SB packet. After completion of the brochure, it will be submitted to the National Board for approval.

The Budget was approved by the National board for printing of the Survivor's Benefits Brochure.

Goals are to continue with our National Program reaching out with education to Spouse's and the Veterans loved ones.

To you Survivor's, Please know that you are not alone.

Respectfully Submitted;
