

Finance Committee Report

October 2020

Since the July AVVA BOD meeting, the Finance Committee has been very busy. We have been preparing for the 2021-22 budget. As all of you know, it has been decided that we change the date for the budget approval. In the past, the budget was approved at the April BOD meeting. This year it will be approved at the January meeting.

Everyone should have received a copy of the updated budget request form around the middle of September, with a deadline date for returning it of October 1st. If for some reason you did not receive this correspondence, please let me know at kathymattingly@yahoo.com , or call 859-734-0500 or fax 859-734-5010.

We have received most of the budget request forms, so our committee's work will now begin.

I have also sent our reminders to the incorporated AVVA states and chapters concerning their financial reports and 990's. A copy of both of these documents need to be sent to the National office. It seems that there is some type of disconnect between the incorporated states/chapters and National. There have been several that have told me they sent the documents to National, but National does not have a copy. I also found out that there was a chapter and a state listed as non-compliant, who were no longer incorporated.

We as a committee will strive to improve communication between all AVVA chapters, states , etc. and National.

Thank you all for your cooperation.

Finance Committee Chair---Kathy Mattingly

Committee Member—Kathy Andras, National Treasurer

Committee Member—Don Jones, Region 5 Director

Committee Member—Deborah Williams
