

Survivors Benefits Committee Report: October 5, 2020

Committee Members:

Sue Crego	Nancy Switzer
Nancy Schloffel	Larry Matika (Special Advisor)
Hope Summers	Deb Michalenka
Helen Simpson	

Co-Chairs: Bobbie Morris and Fran Guevremont

A GoToMeeting was held on August 25th to review the Survivor Benefits Flyer:

Two proposals were submitted, and one was chosen for the survivors benefit seminar online. One was chosen out of committee and will be submitted to the National Board for approval then the webmaster will put it onto the Survivors program on the website.

We also discussed updating the current Survivor Benefits tri-fold brochure and updated the design. The committee worked hard in researching to make sure all the updates are current with the VA. This will also be submitted to the board for final approval before printing.

As a committee we had three different VSO's (Accredited Service Officers) Review the current Brochure, which really helped.

September 28th, GoToMeeting online Committee meeting:

- Design
- Reviewed and content upgrades
- Added declarative Statement: Serving Veterans and their Families since 1999
- Front cover update with two proposals
- General format/Content upgrades
- Outside of Brochure
- Inside of Brochure

Once the layout is complete it will be sent to Bernie Rekowski (graphic designer) it will be than forwarded out to the committee for review.

Our goal as a committee is make sure the brochure is correct and accurate to be used as a tool to educate and direct survivors of Veterans and families of Veterans in the direction to receive the help well earned.

Respectfully Submitted,

Bobbie Morris

Fran Guevremont
