

AVVA NATIONAL TREASURER

July 2020 Report

I was present for all of our “Go to Meeting” since our last board meeting on line in April. I have attended the Executive Board Meetings for the Cathy Keister Award. Also participated in the Executive Board Meeting for P&P proposals containing Online Board Meeting Upgrade. We also reviewed 18 proposals for the July BOD Meeting. I have also taken part in our Strategic Planning Seminar. I have continued to perform my elected duties as Treasurer by reviewing the financial statements and approved all of the bills submitted by the office.

This has been a very unusual time for us since our board meeting and Leadership has been cancelled but we have not stop working.

Kathy Andras

National Treasurer
