

Region 6 Report

April 2020

Region 6 is in a waiting pattern because of the pandemic. We should be electing Chapter Reps but will wait until the restrictions have been lifted.

Elections for State Rep are in June, but they will also wait for the go ahead for meetings.

Rick Talford, Deputy Region 6 Director, will be doing some of the emails and forms so he can get more familiar with the process.

God Bless America,

Fran
