

Quarterly Report, Region 4 – January 23, 2021

This is my 4th quarter report. Region 4 hasn't done much this year because of the "pain damick". I'm sorry that there's not much to report.

Because of the pandemic, Region 4 has been unable to have fundraisers like we normally do in a year. However, my activities included:

- Lake Mary, Florida – attended state meeting to swear in their officers.
- Attended several other state meetings within Region 4.
- Attended several meetings with my chapter

Thank you,

Susan Henthorn
Director, Region 4
