

April 2025 Awards Committee

Awards nominations are beginning to trickle in for recipients to be awarded at the AVVA Luncheon in New Orleans. The deadline for nominations is May 15th, 2025. Please reach out to your respective states and chapters to encourage them to see if they might have anyone to strongly consider to submit a nomination for any of our awards. As of this writing, there are two member of the year/fellowship award nominees and 2 Cathy Keister Award nominations. There are two other nominations that the nominating party is working on filling out the requisite nomination form. Thank you! Respectfully, Tony Gigli
