

Paper Safe Report

Nancy S. Switzer

April 22, 2025

We are now finding that many people are ordering the Paper Safe (1 to 25) and the cost of postage has increased. People are sending monies for donations in the name of Vietnam Veterans of America, and it is getting confusing since the donations should be coming into us. Also, they are not waiting for the request for donations and sending them forward. This causes confusion because the donations are over or under the amount that is due AVVA. Therefore, I would like to see on the Web Site the following:

Shipping costs are becoming a financial burden on AVVA. If you or your chapter have the means to help with postage, we would be most grateful, but help is not a requirement

We now are charging \$5.00 per 1 Paper Safe and will be personally letting you know about the cost of the orders.

***Please note that we will forward to you the cost of mailing after we get the cost of shipping from our distributor which can take a month for us to receive.**

Checks can be made out to AVVA and mailed to the corporate office at:
8719 Colesville Road
Silver Spring, Maryland 20910-3919

AVVA is a 501(c)(3) and donations are tax deductible
