

Product Sales

April 2025

Product Sales has been doing well! We are ready for Convention. This year, set-up will be a little different than before. We have purchased racks and bags to put pins and patches in , so they won't be laying on the floor. I will be bringing start-up money and tickets for the 50/50 raffle, plus my crew again this year to work the AVVA Booth.

Looking forward to seeing you in August !
