

End of Term Report: Secondary PTSD Program: 2023 -2025

Accomplishments:

- Conducted Support Groups Region 9, California State Council (Nina Schloffel)
- Active membership in Community and Veteran Support Agencies.
- Continuing Updates to Session One PTSD2 Facilitator Training
- Continuing Updates to Session Two PTSD2 Facilitator Training
- Build/catalog facilitator resource library (ongoing)

As program vice-chairs, Wynella Bethards and Barbara Coan actively promoted the program in their respective regions. Although their positions expire at the end of this term, my gratitude to these ladies is boundless.

SECONDARY PTSD2 - EASTERN REGIONS

PTSD2 in the Eastern States is doing well. I held a class with an American Legion Unit to get them going as well as a group called Lady Vet Connect.

With all the terrible weather things happening, more people are going to need help coping with their losses. We hope to cross lines with other groups and be there for them. Our own group is taking a break, but hopes to get going in the fall.
