

Product Sales

August 2025

We are all packed up ready to come to Convention and are looking forward to seeing what our supplier, Steve is sending us.

We have the AVVA table covered for Convention, except we will close for the AVVA Luncheon. We will be conducting a 50/50 at Convention again this year (Bring some cash) LOL

It's nice to see that the AVVA flags are disappearing which means we are getting new incorporated Chapters which is on a good note !

it's been nice working with Product Sales and getting Family and Friends involved.
