

OCTOBER 2025

I have been updating the website post-convention, with the election results, awards information, photos, etc. We need photos from this year if anyone has any, they would be willing to share. I was given a large number of pictures from the 2023 convention and have posted about 200 of those on the convention page (<https://avva.org/convention.html>) under "PAST CONVENTIONS".

There have been changes to the committee chairs and Board of directors' pages with the new names and email addresses. I am waiting for final state and chapter election results to be sure about the new state and chapter reps.

We are still looking for people who know how to work with website design and maintenance who could volunteer to be on the committee. If you are interested, please contact me at: avvajoanna@gmail.com so we can talk about it.

For those who do not know, there is an imbedded form that you can use to sign up for the National Information email list if you would like to be kept informed as to the information released by the national board of directors. This link can be found near the top of the News page (www.avva.org/news.html)

Hope everyone will be safe and content through the rest of the year.

Michelle Mackey, Committee Member
