

Incarcerated Advisor report
Respectfully submitted by
Mary Anne Newman, Region 4

Had the pleasure to attend Chapter 1080's Christmas party. 1080 is a maximum security prison in Starke, FL.

Worked with Chapter 1092 to insure the outside advisor received membership roster. As of last MAC report this chapter has 49 incarcerated members.

Remain in to the loop regarding inmate medical care at 1080.

Attended Florida state council incarcerated committee. The five incarcerated chapters are active and continue to provide support to other veterans and the outside community. Examples: band concerts for Gold star families; Christmas gifts for children, Veterans Day and Memorial Day events.
