

## Survivor's Benefit Committee April 2021 Report

Associates of Vietnam Veterans of America

As noted in our January Report, the committee members updated and revised the former Survivor's Benefits Brochure. The newly updated brochures now include numerous websites and telephone numbers on the variety of Veterans Administrations agencies that assist military families.

Though the new brochures are now in print, unfortunately due to Covid and the many restrictions; committee members have not been able to conduct meetings to distribute the brochures and have guest speakers to explain the many services and benefits that may be available to the survivors of those who served honorably defending our country.

When the restrictions are lifted the Association of Vietnam Veterans of America will once again hold forums to help and aid our military families. However, if you have any questions please feel free to contact the co chairs of the Survivor's Benefits Committee Bobbie Morris and Fran Guevremont.
