

Condolence Report: August 2nd, 2024

This quarter, there was 255 condolence cards sent out. In the last year the condolence committee has sent out 1,535.00 cards. Father Phil receives the information submitted from chapters and State Councils.

Fran mentioned, that with all the cards send out to the families of the Veteran, that very little has been return as bad addresses.

The cards remember the veteran, and show that we care and will not forget their service.

Thank you Fran and Paula, for a great commitment to this program for many years. VVA and AVVA working together.

God Bless you always!

Bobbie Morris
Condolence Committee Chair
