

AWA National Disciplinary Committee

August 2024

I am very pleased to mention and thank all our National AVVA Officers, Region Directors, as well as Committee chairs. I truly believe that all their hard work has paid off. Since my last report, there have been no Disciplinary issues to discuss or work on. I plan to continue to provide any educational materials that can be made available.

Goals For the Future Remain the Same

To keep our members and extinguish the bad or unethical behaviors by providing counseling and training as appropriate. Hopefully, this will include a small session at the Leadership Conference and /or Convention.

Maintain/update the Disciplinary Code.

Train committee members as required.

Respectfully

Joanne Blum, AWA National Disciplinary Chair
