

FINANCE COMMITTEE REPORT July -2024

Hope everyone is having a good summer!

Second quarter is usually the slowest, with vacations, parades and all the good weather activities.

We are right on track with our budget. Investments are doing very well.

By now, most all of our incorporated Chapters have filed their 990's and turned in Financial reports. We still have a few that have not. Please make every effort to get them in as soon as possible. 990's should have been file by July 15th, (IRS deadline)

Take care and enjoy the rest of the summer.

Regards,

Susan Price
