

Incorporation report by: Committee Chair, and Committee.

April 10, 2023

Hello all,

- Submitted a Policy and Procedure change in Section 2 for our upcoming April National Board meeting.
- Updated the Power Point, Incorporation Training on the AVVA website, with a new face of color. This is a great tool when doing a presentation for your chapters or states about how and why to become incorporated. We have worked hard to put together a step-by-step process that is easy to follow.
- You will not find the links for the petition or startup kit on avva.org website. Please go to section 2 and review the steps to incorporate for States, Chapters, and Independent Chapters.
- Sent a letter to the IRS added the New Incorporated Chapters to our list of Subsidiaries.
- Our committee continuing to Hold online meetings, and conference calls working together as a team so that everyone will have the correct knowledge about incorporating your States, Chapters. Our goal is your success!

Great News!

- Welcome & Congratulations! to our two newest chapters who have completed their Incorporation Process.
- Chapter 1079, Of Utah, President Judy Kent
- Chapter 201 of California, Steven Thompson

There was A special presentation for both chapters to receive their Charters and their AVVA flag by region 9 Director, Kelly Fredrickson.

The chapters below are close to complete the process of incorporation and looking forward to there presentation of their Chapter Charter

- Chapter 454, of Kentucky. Interim President, Wynella Bethards.
- Chapter 391, of California, Interim President, Shirley Hunter.

Respectfully Submitted,

Bobbie Morris, Incorporation Committee Chair

Inc. Committee Members:

Susan Price, TN

Ann Rice, TN

Mary Ann Newman, Fla

Special Advisor, Nancy Rekowski PA
