

TOXIC EXPOSURE REPORT

Nancy S. Switzer and Mokie Porter

October 8, 2024

At the Leadership Conference in I had the honor of meeting and greeting Molly Loomis, a daughter of a Vietnam Veteran. As you are aware Senate Bill-D3958 and House Bill-9039 was named after Molly in November of 2023 by Senator Jon Tester from Montana. I sent out a request when I got home for each of you to make a phone call or email to your representatives in the House and Senate leaders.

Well, I guess I was too quick, because the House and Senate will not take up any bills before the election in November. So as soon as the bills come out I will let you all know ASAP.
