

Incorporation Report: by Bobbie Morris

October 5, 2020

Wait, while I do the happy dance.....!

We did it!

AVVA IRS group exemption was approved! Incorporated States/Chapters officially 501c3!

I would like to Thank all of States and Chapters who worked hard to turn in all the documents needed for IRS.

That being said, we do have a couple of States and Chapters who still need to get their documents completed, to continue to be under National as a group subsidiary. You can not function as a 501c4 any longer.

As a reminder, if you filed your 990-N and completed your financials Please send them to Charlie Corbin (ccorbin@vva.org) or by email or snail mail. (8719 Colesville Road, STE 100, Silver Spring, Md 20910)

September 1st our Committee had an online meeting to update Section 2 of the Policy and Procedures Manual.

A special thanks to our Incorporation Committee for an outstanding Job!

Continue to stay safe!
