This quarter condolence cards sent out was 282.00. with our average total number of condolence cards sent out per month is from 325 to 500 hundred cards that are sent out by using the USPS.

2023 AVVA National Convention I opened with the invocation at opening ceremony, and National Board Meetings.

I would like to give a special Thank you to Joanne Blum, for saying the invocation at the AVVA awards Luncheon in my stead. Thank you Joanne!

With prayerful support the condolence cards are mailed to Spouses, and Families during this difficult time.

Looking forward to working with you Fran, and Paula in our 2023-2025 Term.
