

FINANCE COMMITTEE REPORT OCTOBER – 2023

Welcome new Board members. I look forward to serving as your finance chair for another term. It was great to meet ya'll in Orlando.

Finance team has been selected and awaiting approval by BOD at our October 2023 meeting. We will also begin to work on next year's budget. Printed budget request forms will be available; an Excel version will be available to submit via email as well.

A few things to make note of; the prior BOD approved a slight increase in per diem, now paying \$50.00 per day. The IRS announced standard mileage rates will be at 65.5 cents per mile as on 7/1/23. 2024 rates should be announced in December.

Overall finances are looking good, everyone has done well trying to stay within budget. Thank you all for your participation.

Regards,

Susan Price
