

**October 2023**

The website has been updated to the extent that information has been sent to the committee. You can find election results, new committee chair contact info, new board member contact info, awards results, the new Bylaws, and other convention information.

We need people to share with us their chapter or state events, especially upcoming events, so that we can add them to our website. There may be people out there, members who are traveling or live outside your immediate area, who may be interested in attending your events. *Please keep in touch with news or other information that you think is appropriate.*

We also have a face book page, which people are posting on incorrectly. If you want the public or our membership to be able to see things, you must post them, do not send the information in a "messenger" message. No one will see that except the admin person, who right now is unable to check the messages very often. There are several things posted as messages that should be on the feed. If you have info, post it the same way you would post information on your own face book page.

AVVA National is still looking for a person who would be willing to volunteer just 4 or 5 hours per **month** to make additions, upload new information, take out old information, or just generally help with the workings of the site. They would have to understand custom software like Dreamweaver or similar, that require FTP Transfer software to "talk" back and forth between the website files and the server. Or, be well versed in such software as Wordpress or similar. If you are interested in discussing volunteering for this, please email me at: [avvajh@cox.net](mailto:avvajh@cox.net) We can talk about what you may or may not need to know, etc. and how we could share webmaster duties.

As always, if you do not find something on the website that you wish was there, please contact me and we can see what we can do.

Respectfully submitted,

A handwritten signature in black ink that reads "Joanna Henshaw".

AVVA National Website Committee Chair  
Michelle Mackey, Website Committee member
