

## VICE PRESIDENT END OF TERM REPORT

2021-2023

As the Vice President of AVVA one of the major duties was to be in contact with the National President and to be available to help in any way needed. I have participated in all meetings called by the President or any executive member of the board. On all committees I was able to attend as a non- voting member. I attended the board meetings held in Silver Spring and was able to participate In VVA Committees.

I worked closely with our Treasurer after our Leadership / Convention with the donations received for Project Friendship. Using the list of States, Chapters or Individuals who donated, I was able to write the thank you notes for their donation.

At Leadership in, Greenville, South Carolina, last year, I attended many meetings. I was able to share what I learned about our new, as well as existing programs, with my state and other interested people.

I am always available to VVA/AVVA members, or to anyone that needs help or who have a question. I am always there to help. My commitment to AVVA is strong. We are growing and progressing. We have a lot of work ahead but we can do it as long as we work together as a team. We can do it.

I have learned so much from this organization and want to spread to everyone the knowledge that I have obtain.

Kathy Andras

Vice President
