

REGION III REPORT

MARCH 2026

Region III is doing alright. We are picking up a few new members. Deputy Pounds and I are working with Chapter 860 in West Virginia getting up to speed. They now the paperwork they need to move forward. We are all very excited for them. They are going to do great things. I have started with Ky. doing bubbly checks and trying to get rosters up to date. I plan on doing all Chapters in our Region. It takes time but so worth it. We are conducting business as usual waiting to see what VVA decides.

Wynella Bethards
Region III Director
