Region 6 will have 9 delegates eligible for next years Convention. I have been working hard trying to get other states involved. South Dakota, North Dakota, Nebraska, Iowa and Minnesota have no representation. Kansas has stepped up and they have a Chapter and State Representative. I appreciate their hard work very much. Chapter 1014 Lebanon Missouri are in the process of becoming incorporated. They are working very hard on their membership. The chapter plans on holding their first election on August 10, 2026.
