

I have attended most of Chapter 1096 AVVA/VVA meetings. I updated the group about happenings at National, as well as encouraged VVA members to sign up their friends as Dual members, and all others to join AVVA.

I have kept in touch with Region 4 members, updating them about Convention registration information, and other Convention items.

My goal for the next quarter is to keep open lines of communication with Chapter and State Reps and Presidents to help them as much as I can to help their members.

Respectfully submitted,

Joanne Blum
AVVA Region 4 Director
