

## AVVA Region III Report October 2024

Region III is doing great. We have 2,067 members as of Aug. 2024, a gain of 14 members since July. The region had a great presence at the Leadership Conference in Rino during Aug. Region III won the award for the most Vista hours with Tennessee being the top Vista State. Tennessee also had the top Vista Chapter, 1004. The individual with the most Vista hours hails from TN. Chapter 1004 and the third-place winner from TN. Chapter 240. Kentucky now has a point of contact and I'm working on Washington, DC. Several different chapters are holding survivor benefits classes as well as secondary PTSD classes.

Wynella Bethards
